Also suggested were photos of purchasable items being emailed to parents. President can have conversation with Peter about sending more sports affiliated and family gifts next year.
- Breakfast with Santa: All parents received the pictures of their family or child with Santa. A recommendation was to have the event a week earlier as less were in attendance this year, although weather may have played a factor. Parents had positive feedback about the fast pass for the photo with Santa.
- Recess Supervision: We had 20 parent volunteers. All positive feedback was received.
